WEBINAR: CRITICAL INFRASTRUCTURE HURRICANE RESPONSE DURING A PANDEMIC

You are invited to join the Cybersecurity and Infrastructure Security Agency (CISA), FEMA, and NOAA as we prepare for an unusual hurricane season. Join us to learn about:

- A coordinated federal approach to infrastructure response and recovery in a hurricane through ESFs 2 and 14, as well as FEMA's NBOEC
- Special considerations in a COVID environment
- Risks to interdependent critical infrastructure systems
- NOAA's hurricane season forecast

INTENDED AUDIENCE

Government and industry decision makers and others involved in infrastructure response and recovery at the national, regional, and local levels.
