The Cybersecurity and Infrastructure Security Agency (CISA) invites you to register for our ***Introduction to Conflict Prevention Techniques and Resources*** information session. During this 30-minute webinar attendees will receive a brief introduction to [CISA's Conflict Prevention techniques and resources](#) which can be used to enhance the safety and security of people, facilities, and communities by empowering users to prevent incidents of targeted violence. This webinar is intended for supervisors, security managers, and public safety training officials.

Objectives:

- Introduce concepts and core elements of conflict prevention
- Become familiar with the Pathway to Violence
- Discuss resources organizations can utilize to help identify and report suspicious behavior and activity to enhance security preparedness

CONFLICT PREVENTION STRATEGIES TO DETER ACTS OF TARGETED VIOLENCE

Date: May 28, 2025
Time: 1:30 PM ET

[Click Here
to Register!](#)

We also invite you to register for CISA's ***Conflict Prevention Strategies to Deter Acts of Targeted Violence*** webinar. During this 60-minute webinar attendees will become familiar with the principles of conflict prevention and gain a more in-depth understanding of [effective de-escalation approaches](#) which can be used to help diffuse a volatile situation. This webinar is intended for staff members and others interested in receiving foundational training on de-escalation topics.

Objectives:

- Introduce a baseline of the current threat landscape
- Share insights on conflict prevention strategies and considerations to prevent incidents of targeted violence
- Gain an understanding for the importance of situational awareness to targeted violence prevention

REGISTRATION IS LIMITED TO 1000.
