

Ready, Set, Prepare! Resilience is Your Best Defense

Start Your [Route to Resilience](#) Today

September is National Preparedness Month.

Join EPA on the [Route to Resilience](#) as we highlight the resources available to help your utility be ready to [Assess](#), [Plan](#), [Train](#), [Respond](#), and [Recover](#) in the event of a water sector emergency.

Each week, we will focus on a different step of the Route and explore how you can take action to build water resilience and protect your community.

Week 3: Resilience is Your Best Defense

Training Resources

Train your team with EPA's [Training and Exercise Resources](#).

All-Hazards Resilience Training

Build resilience with all-hazards training for your utility. EPA's [Laboratory Full-Scale Exercise](#) and [Water/Wastewater Utility All-Hazards Bootcamp](#) are designed to provide your team with the resources to develop, conduct, and evaluate training for water sector-related challenges and incidents.

Emergency Response Training

Attend free virtual Emergency Response Plan Training workshops. Visit [our website](#) for more information.

Creating Resilient Water Utilities Training

EPA is providing training to water sector utilities and stakeholders in the Northern Great Plains climate region on the [Climate Resilience Evaluation and Awareness Tool \(CREAT\)](#) tool. [Register Here: Introductory Session](#) and [Register Here: CREAT Sessions 1 through 4](#)
